## Trailer Rental Policy

Only members of EBC are able to borrow our trailers. The cost of rental is \$10/day or \$2/hour. Full payment must be made in cash before borrowing the trailer. If the trailer is returned late you will be charged \$15/day. Our shop is only open on certain days of the week. If you miss your return time, you may not be able to return the trailer for several days. This does not absolve you of the resulting late fees. The trailer must be clean when returned. You will be charged \$25 if the trailer requires cleaning. We require your credit card information as a deposit for the trailer. In the event that you do not return the trailer, it is damaged, or you fail to pay fees related to its rental, we will bill your card for the amount owing.

This trailer is the property of EBC. It is being loaned to you and must be returned by the date specified on this form. You will be held responsible for the trailer at all times while it is signed out in your name. In the event of loss, theft, or damage you will be required to reimburse EBC for the full cost of repairs or replacement.

Cycling is inherently dangerous. You are responsible for knowing and obeying the rules of the road. Be aware that your bicycle may be less responsive or handle differently while pulling a trailer. Please take time to familiarize yourself with pulling a trailer before riding on the road. EBC recommends using a mountain bike to pull heavy loads. Loading the trailer excessively may result in permanent damage to the trailer or your bicycle. Our trailers are designed exclusively for use with bicycles. Use with motorcycles or motorized vehicles is dangerous and is strictly prohibited. Our trailers are not designed for transporting people or animals. They are to be used exclusively for moving cargo.

- ### Illegal use/activities prohibited
- ### Agree to hold EBC and its board, staff, and volunteers free of liability
- ### Agree to waive all everything ever. No rights for you.
- ### Tips for riding with a trailer? (A separate sheet might be better?)

If you have problems with the trailer or need to arrange a different time to return the trailer, please contact EBC during regular Bike Works hours at 433-2453.

**By signing this form you are indicating that you have read, understand, and agree to the above terms. You hereby authorize the Edmonton Bicycle Commuters to charge your credit card for any unpaid fees resulting from this rental.**
